SOLVE A CRISIS

The Crisis is: You are silent, and the teacher is a big jerk

THE WORLD IN CRISIS

- Identify an international "crisis"
- Identify the cause of the crisis
- Identify the barriers to ending the crisis
- Identify the steps to solve the crisis
- Pick your favourite step.

CRY OF THE CRISIS

- Your solution must include the following steps:
 - What level: (local, provincial, federal, international)
 - How much \$\$\$ do you need
 - Are there other costs associated (loss of sovereignty, personal freedom, etc.)
 - Who would support this solution?
 - Who would be against it?
